Rotary Collecting For Annual Auction

Plans for the annual auction sale by the Drayton Valley Rotary Club are in full swing and members of the club are busy accumulating articles to go under the hammer of auctioneer Wendy Sekura on the evening of Friday, October 4th.

Last week members of the club canvassed the south eastern part of town and tonight (Wednesday, September 18th) will cover the area between 47th street and 50th avenue.

A large number of good, saleable items have already been collected by club members who hope to hold their biggest sale ever, this year. All money raised at the sale goes back into projects of benefit to the whole community.

Anyone living in the north eastern part of town is asked to look around the garage or basement and anything of resale value that you would like to contribute would be much appreciated by the club. Members will be out tonight right after their regular weekly supper meeting.

Spartans Open Here Against Wetaskiwin

The F.M.H.S. Spartans football club have been working hard these past three weeks in preparation for their opening league contest against the Wetaskiwin Sabers this Sunday at the local Lions Park field at 4:00 p.m.

In preparation, for what is considered by the Spartans as a key game to win, the team travelled to Ponoka and Innisfail for pre-season exhibition games which they dropped by 6-2 and 13-12 scores. The coaching staff of the Spartans were able to measure the talents of the player personnel from these two excellent and exciting contests.

Of note was the tremendous improvement of the defensive squad over the past seasons. They continually threw the opposition for a number of losses (especially in Ponoka), recovered opposition fumbles and intercepted a number of passes. Defensive standouts were Dave Getzinger, Ron Astle, Clarence Platz, Ken Frank, Gary McMorris and Terry Mattoon.

That the offense was beginning to jell was obvious by the teams scoring of two touchdowns in Sundays contest in Innisfail. Scoring for the local high school were Stan Oulton on a 45 yard pass deep in the end zone and Stefan Hoge on a 30 yard pass, both from quarterback Doug Ibbotson. A third and game winning touchdown pass of 40 yards to Stefan Hoge was unfortunately disallowed because of an illegal number on a offensive tackle.

The team will continue heavy workouts the rest of the week at the Lions field in preparation to win the league opener. The team is looking for strong community support and they feel sure that the fans will be entertained to a hard hitting and thrilling contest.

Former Resident of Violet Grove Passes

Funeral services were held on Tuesday, September 10th for Mr. Albert Stordalsvoll of Creston, B.C., who passed away on Friday, September 6th. Rev. E. Loreen officiated and interment took place in the family plot in the Forest Lawn Cemetery in Erickson, B.C.

Born and raised in Norway, Mr. Stordalsvoll was a long time resident of the Violet Grove district where he took out a homestead in 1930. He and his wife moved to Creston in 1964.

Mr. Stordalsvoll, who was 80 at the time of his death, immigrated with his eldest son Lief in 1929 to Edmonton. The depression of the 1930's and then World War II kept the family separated and it was not until 1949 that he was reunited with his wife and other members of the family.

He was predeceased by his wife Signe in 1965 and one son, Adolf Bernhard in 1943.

He is survived by five sons, Lief of Violet Grove. Svend in Norway, Nils in Sweden and Ole and Otto of Violet Grove; two daughters Mrs. T. Tidemann (Mary) in Norway and Mrs. F.H. Holmes (Aslaug) of Consort, Alberta; ten grandchildren and five great grandchildren.

Pallbearers were Clint Vickery, William Lindsay, William Sjerdal, Stanley Pickavance, William Brownbill and George Hurl.

Wrestling Matches Planned September 28 by Rotary Club

Crusher Stan Staziuk, the Polish Assassin from Arvida, Quebec, will headline the professional wrestling card which will be held here on Saturday, September 28th in the Centennial Civic Centre. Staziuk will face Edmonton's Harvey "Buck" Jones in a two out of three fall match on the card sponsored by the Drayton Valley Rotory Club.

Staziuk at six feet five inches and weighing 273 pounds is a very imposing and terrifying figure in the wrestling world. He literally demolishes apponents with the greatest of ease and without mercy. Crusher Stan has met the world's best over the past five years and his record includes victories over such names as Pat O'Connor, Archie Gouldie, "The Stomper", Lou Thez, Ox Baker, "Killer" Kowalski and Dave Ruhl.

Presently he is carrying on a bitter feud with the current World Champion Gene Kiniski. These two men have met no less than four times during the past few months and to date Kiniski is still the champion but his victories have been via the disqualification route.

Harvey Jones needs no introduction to local wrestling fans. He worked and lived in Drayton Valley for some time and he currently is one of the outstandi ; young wrestlers in Canad , with a very fine record si ce he turned to the profess nal game three years ago.

In tag team match on the same card Ray and Bud Osborne of Edmonton, the Canadian Tag Team Champions will defend their title and trophy against Rudy Kay and Vic Rosetani in a two out of three fall affair. The Osbornes recently won the Canadian Tag Team Title by defeating the Cristie Brothers, Bobby and Jerry in a match in Calgary.

In another two out of three fall match, Bob Swetan generally known as "The Viking" will be turned loose on that popular and clever veteran John Fote from Regina, Saskatchewan. Both men weigh in around the 240 pound mark.

The thirty minute one fall opener will feature veteran Edmontonian, Chuck McCracken and youthful Boris Hogg of Calgary.

EDITORIAL COMMENT

Forestry Road Attracts Visitors . . .

The Alberta Government publication "Within Our Borders" notes in a recent issue the popularity of the forestry trunk road linking the Crowsnest Pass and Grande Prairie regions. Each year, the publication says, approximately 400,000 visitors tour various parts of the region using the trunk road.

The forestry trunk road is easily accessible from Drayton Valley, through Lodgepole and over the Elk River road to its junction with the north-south line and perhaps this area is missing a bet in not trying to encourage some of the visitors to make a side trip to the Brazeau Dam or other features of the region. Besides the dam and Pembina Oilfield there are natural resources such as Jackknife Springs and the hunting, fishing and outdoor recreation attractions.

Though we're not normally considered a tourist region, more go through each year, and every family that passes through or spends a day or night in any community hereabouts means another little boost to the economy.

Pollution Control Efforts in B.C. . . .

In its efforts to attain clear water and clean air, the British Columbia Pollution Control Board, according to Oilweek, has proclaimed a four-point program to enlist the help of every resident of the province. Here are the four maxims for which it wants public support, with the reminder that pollution control is everyone's responsibility:

* Learn the facts about air and water pollution in your area and what is being done about it.
* Support laws and by-laws to control pollution.
* Support the construction of adequate sewage treatment facilities.
* Encourage local industries in their efforts to clean up their own wastes.

Sale Items Needed . . .

You could help the Rotary Club greatly by checking your garage or basement for articles that you no longer need and might be sold at the Annual Auction. All the money raised stays in the community for projects of benefit to all

AN APPEAL TO PARENTS

This article is being written on behalf of a good number of boys in our community, the boys that belong to the Cub and Scout movement, and is being directed mainly to the fathers of these boys.

The Drayton Valley Scout Association had a meeting on Monday night and revealed that due to a lack of interest there is almost no one available to enable the organization to function. Many people in our town have given unselfishly of their time to aid our boys in this organization - but they cannot be expected to carry the load forever, particularly when they no longer have boys involved.

If a parent sends a child to any organization they should be willing to spend a small amount of time helping in some samll way. Each boy in Cubs and Scouts benefits from belonging, and we're sure that you parents are aware of this. The small amount of time anyone would have to spend would be appreciated by over 100 boys.

There are many things to be done, and a father of a Cub or Scout need not feel that he requires special training to help. For instance a Transportation Chairman will only be called on to arrange for vehicles to be used on bottle drives etc., three or four times a year, this could be done by spending several minutes on the phone in his own home. A Badge Chairman would only be required to send orders for badges given to him by the Cub and Scout Leaders, this would require a few minutes paper work once a month. These are just two examples, none of the positions on the Association need be time consuming if each father would agree to spend one term on the association during the years that his son belongs to Cubs or Scouts then the work would not fall on the soulders of the same group of people vear after year.

To invest one of two hours a month to further the work of this organization is investing in the future of your child. How can any parent deny that this is a worthwhile cause. We aren't looking for people with special abilities, only people who care for the future of their children.

It isn't enough to send a boy to Cubs or Scouts. Maybe two hours a month seems like a lot of time to spend, but the benefits to the boys are many, and we're sure that many fathers will enjoy being a part of such an organization.

So please, on behalf of the Cubs and Scouts, offer to do what you can to help. At the present time the whole organization is being left to several people and if they cannot continue there just won't be any Cubs or Scouts. The Cub and Scout Leaders need a great deal of support, and they look to the Cub and Scout Association for it -- so now the association looks to you the parents, you can decide whether you think it is worthwhile. If you can spare any time at all, and are willing to do so, please contact Mr. Howie Janzen, at 542-3619.

SWIMMING POOL CLOSES

The Drayton Valley swimming pool closed for the season on Sunday evening, September 15th. The closing marked the end of a very successful swinning season. A total of 38,840 persons were admitted to the pool this year. We had a crowded Red Cross Instruction Program throughout the summer with a total enrollment of 483 persons and a passing average of 85%.

In the Royal Life Saving Society Program, a total of 22 awards were obtained. Eight people barred their Bronze Medalion, eight obtained rating and six persons qualified for the Intermediate Lifesaving Award. Another highlight of the season was the Red Cross Society's Instructors Course which was held early in July and which resulted in six persons obtaining their Instructor's Certificate. The local competitive swimming squad, the Neptune Club had their best year to date. The club had a very fine meet here in Drayton Valley late in July and successfully competed in several meets in the surrounding area.

We had an efficient and reliable pool staff who did a very commendable job throughout the season and the work of the Junior Leader Corps. was again outstanding. A financial report on the season's operation will be available at a later date.

LITTLE CANADIAN FOOTBALL UNDERWAY

Little Canadian Football is pretty well on the way now, we could use a couple of coaches yet, however, the program seems to be on the road. There will be three teams in the town league. A regular league schedule will be set up next week. Regular games will be played two or three times a week from now until the end of October when a league playoff will be held.

Borys Koba Wins Tennis Tournament

During the past month the Drayton Valley Tennis Club has been holding playoffs and the club championship decided last week.

This year's champion is Borys Koba, a fourth year electrical engineering student at the University of Western Ontario in London, Ontario, who worked here for the summer for Pan American Petroleum. The runner-up was Father Lynch who is also the president of the Tennis Club.

Some of the players were disqualified because they moved away, were on holidays or had previous commitments.

It is hoped that next summer more people will join the Tennis Club and make the '69 playoffs better yet.

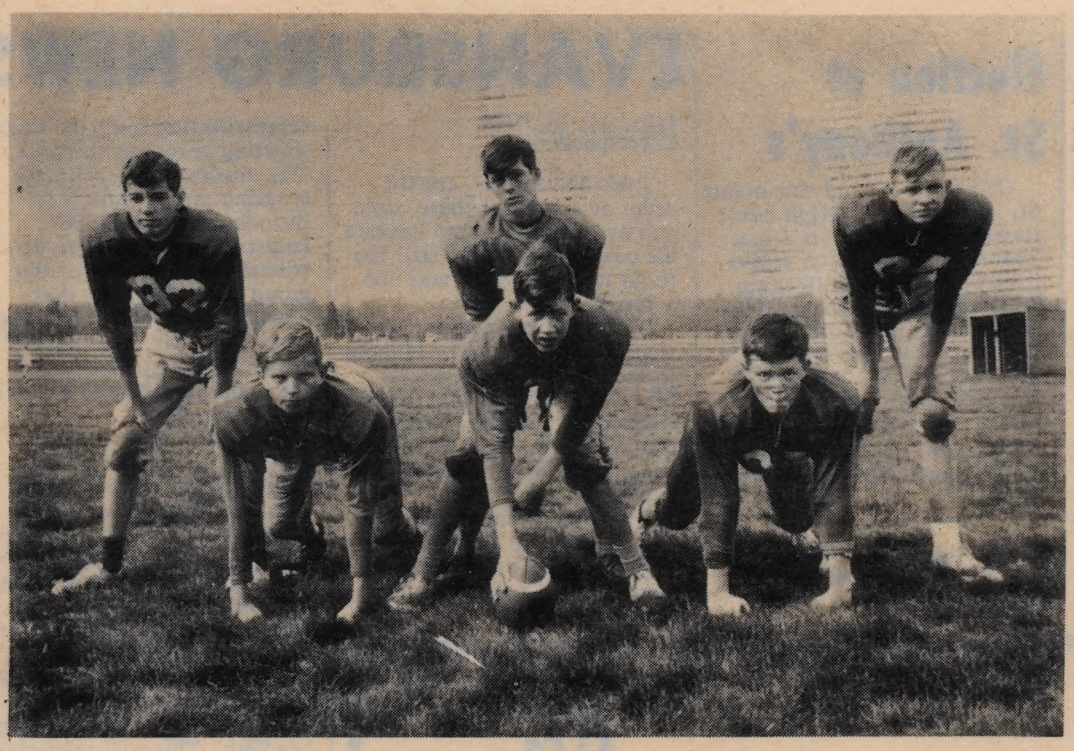
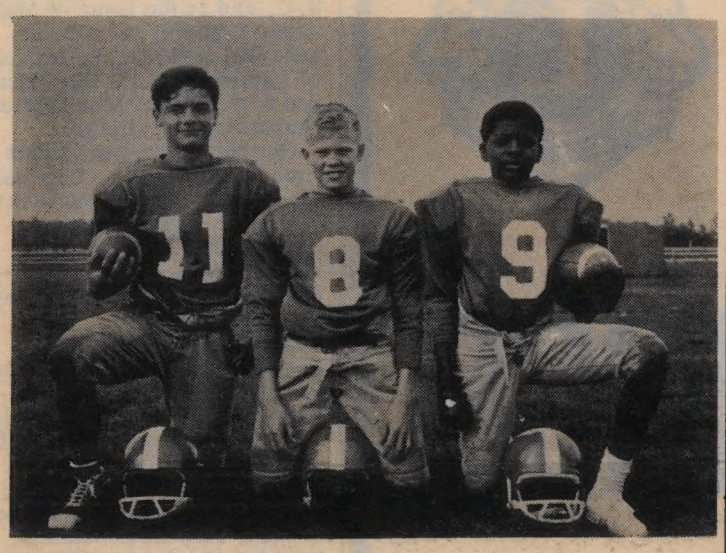
THE WESTERN REVIEW

Drayton Valley, Alberta

Vol. IV, No. 37 Sept. 18, 1968



Members of the Drayton Valley Packers Bantam football team have been busy practicing this week in preparation for Sunday's game here with the Edmonton Bees. Linemen shown above, left to right, Roger Bain, Gordon Hart, Gordon Neil, Ian McLean and Carsten Harr. Quarterback Jay Meraw is shown behind the centre. Backfielders in the lower photo are, left to right, Bruce Gossel, Larry Wall and Lynne Lipscombe.



Three Football Games on Sunday

Next Sunday, September 22nd, will be "Football Day" in Drayton Valley. There will be football games played at three levels, Bantam, Juvenile and High School.

At the Bantam level the Drayton Valley Packers will square off with the Ladies Quarterback Bees in a regular league game. The Packers have picked up four points in league competition so far this year and this game against Don Henderson's Bees will be the most important game of the season for both teams. The Bees are rated as tops in the Edmonton league and are living up to their reputation so far.

In Juvenile competition the Jasper Place Lions take on the Sherwood Park Rams in a regular scheduled league game that has been moved to Drayton Valley. The game was originally scheduled for Cornation Park in Edmonton. Juvenile Football is similar to Junior High School competition. The maximum age is sixteen years old and no boy can weigh more than 160 lbs. Both the Lions and the Rams are rated high in the Edmontor City Juvenile Football League and a real good game can be expected from those two top teams.

In the High School category the Frank Maddock High School Spartans will face the Wetaskiwin High School Sabres in a regular scheduled High School league game. This will be the first league game of the season for the Spartans who have had a couple of exhibition encounters on the road during the past week. Last Friday evening the local team dropped a 6-2 game to Ponoka High and on Sunday were shaded by the Innisfail High School squad 13-12 in a game in Innisfail.

After the Juvenile game, the Edmonton teams and local Bantam team will meet at the Centennial Civic Centre for refreshments.

The Packers Cheerleading Squad will be on hand Sunday afternoon to lend their vocal assistance and encouragement to the Greenclad Pack. The girls in the Gold and Green are Sheila Patterson, Cindy Sharkey, Betty Hay, Susan Poloway and Wendy Retallack

Constable Brian Crerar has taken over as Head Coach of the Packers. His assistants with this work will be Barry Johanneson and Wayne Chenery.

BY MRS. EDITH DEBY

It's back to the books for all the young Maclures this fall. David and Andrew are pursuing their studies in medicine at the University of Alberta. Paul is beginning his course in Physical Education at the university and his wife, the former Audrey Getzinger, is training at the University Hospital as a radiologist.

Alfred Comeau, son of Mr. and Mrs. George Comeau, is in his graduating year in electrical engineering at the University of Alberta.

Mr. Doluk says that Wayne Popodynits, and the others injured in a car accident on Highway 57 about three weeks ago, are making satisfactory progress.

Father Lynch says "Did you hear the one about the man who put a tiger in his tank and it ate his muffler?"

Mr. Harold Hammerlindl and his father, of Mantario, Manitoba made a flying (literally) trip to Winona, Minnesota last week to visit relatives.

Happy to have Dennis Meier and his family back in town.

Gordon Pickup has entered First Year Education at Camrose Lutheran College.

Miss Vera Hodgson is a young lady of versatile accomplishments. Last week she entered the Royal Alexandra Training School for Nurses. Before leaving she began to qualify as a school bus driver. She has long been her father's right hand man on the farm. Convenient to have several ways of making a living. Vera

Cherryl Smith is continuing her education and has enrolled at N.A.I.T., taking Business Administration. She recently returned home from a five-week trip to the Continent and England, accompanying her grandparents Mr. and Mrs. B.P. Knowles of Fort Saskatchewan.

She (just engaged) "Did Daddy seem pleased when you told him about the $200 you have saved up?"

Fiance (wistfully) "I think so. He borrowed it."

EVANSBURG NEWS

MRS. M. BRUNER,
Correspondent

Colds and sniffles are the order at our house these days, and even though Zane has had his cast removed, he still has to go to school via "taxi" for a while.

Through this column, we would like to extend a sincere welcome to this district to Mr. Garry Miller, our District Agriculturalist. Mr. Miller is replacing Mr. Gilland who has moved on to other work in Edson.

The Cub-Scout district council held its first meeting of the season last week in Evansburg. There was a good representation from the various scouting groups in the area. The accent this year in the scouting programme is to introduce "Scouting'68". Registration forms were distributed to members of the group committees so that youngsters could be registered early this year. The regular fourth Thursday meeting of the council will take place on September 24th.

The UCW held its first meeting of the fall at the home of Mrs. R. Weist. Twelve members and one visitor were present. The meeting was opened with recitation of the Lord's Prayer and a Bible reading by Mrs. Graham followed. The members discussed various activities that will take place, the first of which is a rummage sale and tea to be held on September 28th. This will take place in the afternoon and will be held in the United Church basement. Lunch was served by Mrs. O. Wolff and Mrs. Weist.

Visitors this week at the home of Mr. and Mrs. J. Otto were Mr. and Mrs. D. Weymouth from Chiliwack, B.C. and at the home of Mrs. Annie Graham, the visitors were Mr. and Mrs. R. Landon of Kamloops, B.C. Mrs. Landon is the former Miss Laurie Graham of this village.

Our home also had visitors from B.C. recently. This was Mrs. E. Pare from Vancouver and is Mr. Bruner's sister. Also visiting us was Mrs. R. Bruner, Mom, from the Senior Citizens' Lodge at Mayerthorpe.

The District Agricultural Society held its regular meeting at the home of Mr. and Mrs. Bill Sparks of Wildwood. There was a large gathering to discuss the results of the fair. On the whole the annual fair proved to have been a success as there were more exhibits than last year and more money went out in prizes. It was decided to pay a token prize fee to each of the children from the Wildwood School whose work had been entered in the fair by the teachers and was inadvertantly destroyed before it could be judged. It was stressed that much more care would have to be taken towards the exhibits in the future.

Sympathy of the district goes to the Mattice family on the death of Mr. Mattice.

Lindale 4-H Achievement Day

The Lindale 4-H Swine Club Acheivement Day was held on August 24th. Judge was Mr. Lyle McNichol of the 4-H branch, Alberta Department of Youth.

Pens were set up on the farm of club leader, Mr. Tom Martin. Judging began at 10:00 a.m. with a showing of very fine looking gilts.

Dinner was served at noon by Mrs. Martin after which the rest of the gilts were judged.

A banquet rounded out the day in the school gym. A nice crowd attended and enjoyed a lovely hot turkey supper.

Mr. McNickol was guest speaker, he spoke on "4-H and You." Trophies and awards were presented to winners by Club leaders. Shann Bowen was winner of the junior gilt championship; Leslie Horsman won the senior gilt championship; Lynn Martin was winner of the sow and litter competition. They all get to keep the trophies for a year until the next judging and will have their names engraved on them.

All members received ribbons for various achievments. Tables were cleared and dancing finished the day.

Come on all you kids 12 to 21, join our Swine Club and help us to continue our good work.

Legion Notes

Belated congratulations to Comrade Rex Burrows on winning the Royal Canadian Legion Provincial Golf Tournament at Mulhurst in August.

The old Legion hall has been moved to Stony Plain and we hope the Legion there will be able to expand from it as we have done here in Drayton Valley.

On September 29th at 2:00 p.m. Branch 269 hosts a Zone Rally for election of new Zone Commander and discussion of Zone business. It is hoped that as many members as possible will turn out for this event.

The annual Remembrance Day essay and poem contest is now under way at the local schools. Details of this contest have been made available at the schools, for those students in the grades eligible to participate. The Legion is hoping for an even bigger response to this contest than in 1967.

The Remembrance Day service and parade will be held Monday, November 11th. Pop, coffee, donuts etc. will be served to those participating before the parade "fall in" at 10:20 a.m. November 11th. The parade will march to the Cardium Theatre for the Remembrance Service, kindly donated again for this occasion by Mr. Serenas.

A big "Thank You" to Panky Enterprises for the excellent job done on the barbeque pits and patio also for the fine clean up job done after the old hall was removed.

A "U.K. Night" has been planned for September 27th. Tickets are limited but some are still available at Derrick Supply. The Ladies Auxilliary will be holding their annual Halloween Masquerade Dance on October 25th. Tickets again are limited and will be available from the Ladies Auxilliary members.

Members are requested to volunteer services at work parties to try and get the new hall completed, carpeting, painting etc. before the cold weather sets in.

A new girl hired in a furniture manufacturing company was taken on a guided tour of the plant. "Is there anything in particular you'd like to see?" the guide asked.

"Yes," said the not-too-bright steno. "I'd like to see how they make that beautiful furniture out of those crinkly little walnuts."
